Audience comments

"Wow! This show was full of energy, humour and great singing! I absolutely loved it from the moment I took my seat. It was pure entertainment. My 12-year-old daughter loved it as well. She was singing *Jesus called me on my cellphone* all the way home! Highly recommend this laugh out loud production."

— Leanne, Maple Ridge

"Dynamic, delicious, devilishly delightful production. These Boyz are at the top of their game. Bring your open-minded friends, family and priest to this rollicking, roller coaster of revelry. Once is not enough!"

— Heather, Richmond

"Three friends and I (all seniors) saw **Altar Boyz** on Saturday and every one of us LOVED it!! We all were so impressed with the whole production. Mostly, though, we were jealous of the energy level!!" — Wendy

"Wonderful show and what an opportunity to see it for such an affordable price. Because of that special offer, I was able to bring family members from out-of-town. We had a great time and couldn't have enjoyed the front row centre any more than we did!" — Steph, Vancouver

"Excellent! 90 mins of constant energy by five talented young men. Reminders of NKTB, NSYNC and other boy bands of the 90s and even a bit of the original Motown Temptations, ChiLites, etc with the choreographed 'dance' moves. Back-up band was excellent too." — Patricia

"**Altar Boyz** was so uplifting, vibrant and powerful, we have seen it twice. A friend we took to our second viewing is arranging to go a second time himself with another group of friends. The musical energy is infectious, the choreography fun, and the talent of the performers outstanding. This show is a real winner!"

"Fantastic! I was grinning from ear to ear . . . I loved, loved, loved it. This is what theatre is all about!!"

— Jana, Vancouver

"Lively and enjoyable! Very tastefully done. You had fun with Catholicism without deriding it. Thank you."

— J, Halifax, NS

"My daughter and I just loved the show. She particularly picked up on all the subtle nuances related to other boy bands (i.e. the signage was very similar to early NSync signage). We were naming which boy band created the different dance moves the cast was performing. Great fun! I don't know if they saved my soul . . . but I had a lot of fun while they tried!" — Nancy, Vancouver

"AMAZING!! This show was hilarious. I have personally told at least 10 people to GO SEE IT!!"

— Nathan, Surrey

"The cast was amazing! We weren't sure if we were at a Christian Rock concert or a play! It was non-stop music and laughter. Wonderfully done, we could go again and again and again!! Save us **Altar Boyz!**"

— Kenda, Vancouver

"This was easily the funniest production I have seen in a very long time. Witty and irreverent, **Altar Boyz** was a smash hit for me and my family!" — Kevin, Surrey

"My husband and I absolutely loved it! Originally, we were quite hesitant about watching this, but when our girlfriend raved about it, we decided to catch a show. Thank goodness we did because it was fantastic. This production still puts a smile on my face whenever I think of it. Thank you!" — Cindy

"Absolutely fantastic!! As a 'Catholic' it was a great chance to laugh at some of our peculiar rituals. I went to a funeral the day after I was at the theatre and almost laughed out as I kept kneeling, standing and sitting, and then came the incense, cross, bells!!! Saw the production on a matinee and then brought my daughter from Osoyoos to see it. She too had a great time." — Rosemary, Vancouver

"We loved the **Altar Boyz**! We never realized that our Catholic background would put us on the right side of an inside joke. We took our 16-year-old son and his friend and they're still laughing. Great cast, great show!"
